Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

Applicants called to inquire about the status of the application noting that a telephonic restriction requirement had been made in the case several months ago with a different examiner. Examiner informed applicants that the application had just been acted on and that the office action would be mailed shortly. Examiner also noted that she had not imposed the previous restriction requirement (made by the previous examiner) but rather had examined all the claims .
